

# THE PHOTO ORDER FORM

This is not an immediate e-commerce site. In the interests of the security of customer financial details, *no transactions take place on this site*. When you submit your order, you will receive an invoice detailing your order along with direct deposit details.

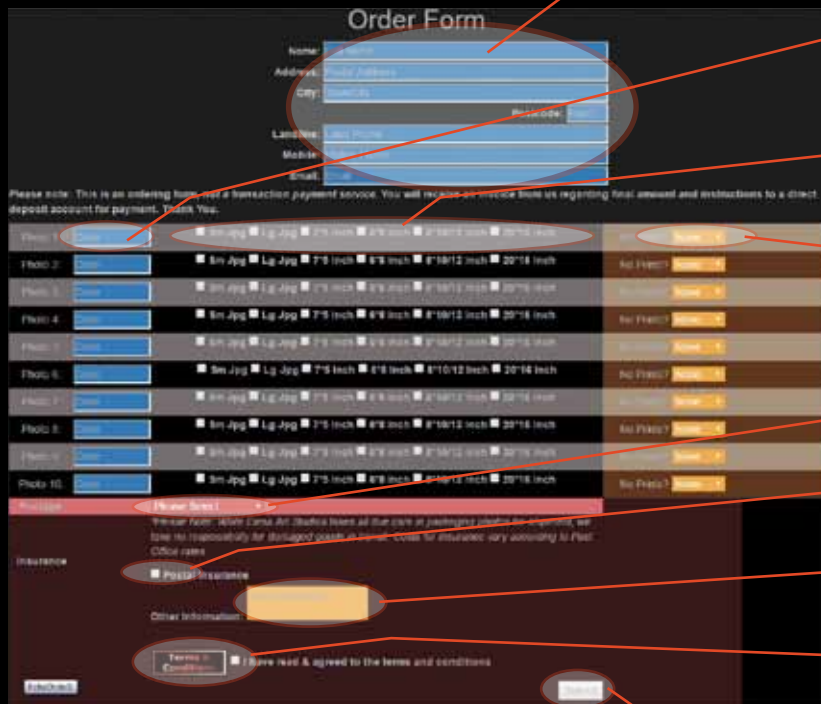

While there is no shopping cart, ordering from this site is just as easy as ordering from any other e-commerce site. Just remember or write down the codes of the photos that you want to buy, enter your personal details and other information, and submit your order. Simple and easy.

**1. Read the options available in the Products and Pricing panel.**

**2. If you haven't already, check out the latest event special available. If you like it, check the box. (If you are using a smartphone or a tablet, do this before you start ordering, as the link takes you to another browser.)**

**3. Fill in your personal details.** (Make sure you enter all the required fields correctly, as you can't submit your order unless you do.)

**4. Each row is an order field for one photo. Enter a single photo code here.**

**5. Choose a product option.** (You can choose more than one.)

**6. Choose how many prints.** (Leave blank if you are only ordering jpegs.)

**7. Select which postal option.** (This is compulsory.)

**8. Postage Insurance.** (Optional)

**9. More Information** (Optional)

**10. Read our terms and Conditions of sale, and indicate that you have read and understood them.** (Compulsory)

**11. Submit your order**

**Seem Complicated?**  
Those are the exact same 11 steps you take on an e-commerce site. The only difference is that here you take them on one page.
